

Plotting Line Graphs

The children measured the height of a small plant everyday for 10 days. They recorded the results in the table below. Mark these points on the graph. Draw a line to connect the points.

Day	Height (cm)
1	0.5
2	1
3	1.5
4	3
5	5
6	8
7	11
8	15
9	16
10	16.5
