

Comparing numbers

< means IS LESS THAN

> means IS GREATER THAN

For example 500 is greater than 200 so we can write $500 > 200$.

Use the correct symbol for each pair of numbers:

$100 < 400$

$500 \underline{\quad} 600$

$283 \underline{\quad} 943$

$99 \underline{\quad} 199$

$251 \underline{\quad} 250$

$289 \underline{\quad} 42$

$654 \underline{\quad} 499$

$999 \underline{\quad} 1000$

$111 \underline{\quad} 222$

$333 \underline{\quad} 199$

$458 \underline{\quad} 292$

$837 \underline{\quad} 929$

$123 \underline{\quad} 321$

$456 \underline{\quad} 567$

$789 \underline{\quad} 987$

$321 \underline{\quad} 231$

$584 \underline{\quad} 845$

$100 \underline{\quad} 110$

Write any number to match the symbol, the first one has been done to show you:

$500 > 300$

$200 < \underline{\quad}$

$600 > \underline{\quad}$

$400 < \underline{\quad}$
