

## Comparing numbers

< means IS LESS THAN

> means IS GREATER THAN

For example 500 is greater than 200 so we can write  $500 > 200$ .

Use the correct symbol for each pair of numbers:

$100 < 400$

$500 \underline{\hspace{1cm}} 600$

$283 \underline{\hspace{1cm}} 943$

$99 \underline{\hspace{1cm}} 199$

$251 \underline{\hspace{1cm}} 250$

$289 \underline{\hspace{1cm}} 42$

$654 \underline{\hspace{1cm}} 499$

$999 \underline{\hspace{1cm}} 1000$

$111 \underline{\hspace{1cm}} 222$

$333 \underline{\hspace{1cm}} 199$

$458 \underline{\hspace{1cm}} 292$

$837 \underline{\hspace{1cm}} 929$

$123 \underline{\hspace{1cm}} 321$

$456 \underline{\hspace{1cm}} 567$

$789 \underline{\hspace{1cm}} 987$

$321 \underline{\hspace{1cm}} 231$

$584 \underline{\hspace{1cm}} 845$

$100 \underline{\hspace{1cm}} 110$

Write any number to match the symbol, the first one has been done to show you:

$500 > 300$

$200 < \underline{\hspace{1cm}}$

$600 > \underline{\hspace{1cm}}$

$400 < \underline{\hspace{1cm}}$
