

Four times table

KS1, ages 5+

$1 \times 4 = \square$

$2 \times 4 = \square$

$3 \times 4 = \square$

$4 \times 4 = \square$

$5 \times 4 = \square$

$6 \times 4 = \square$

$7 \times 4 = \square$

$8 \times 4 = \square$

$9 \times 4 = \square$

$10 \times 4 = \square$

$4 \times 1 = \square$

$4 \times 2 = \square$

$4 \times 3 = \square$

$4 \times 4 = \square$

$4 \times 5 = \square$

$4 \times 6 = \square$

$4 \times 7 = \square$

$4 \times 8 = \square$

$4 \times 9 = \square$

$4 \times 10 = \square$

Note for Parents: For a harder option, cut the paper in half down the line to stop them copying from left to right.
